Objective

Aspiring computer science student with a strong interest in exploring various technologies and solutions. Bringing forth positive attitude and motivation to leverage my skills to drive an innovation and make a meaningful impact in tech industry.

Area of Interest

1. **frontend development** (html,css,javascript,bootstrap)
2. **database** (mySQL,mongoDB)
3. **java backend development**

Education

Bachelor of Engineering in computer science| [Dr.mahalingam college of engineering and technology], [pollachi]
[2026] | [**8.5**]

HSC | [Evangeline matriculation hr.sec.school], [Coimbatore]
[**2020-2022**]| [85.3%]

SSLC | [Evangeline matriculation hr.sec.school], [Coimbatore]
[**2019-2020**]| [80%]

Skills

Technical Skills:

- **Programming Languages:** Java, Python, C ,Javascript
- **Database Management:** MySQL, MongoDB
- **Frameworks:** bootstrap,Reactjs

Soft Skills:

- adaptable and flexible
- listener
- problem solving
- team work

Projects

Smart car parking system using IOT   semester IV

- Smart car parking systems utilizing IoT technology enable efficient parking management through real-time vacancy tracking, automated guidance, and mobile payment options, reducing congestion and pollution

Internships

LIVESTREAM TECHNOLOGIES - **Software Development Intern [Coimbatore]**   [24-6-2024 to 8-7-2024]

- Gain proficiency in gathering requirements for software development projects across various domains, including web development.

Certifications

- B2 in lingua skill exam conducted by cambridge university
- NPTEL elite certification in Joy of Computing using Python
- NPTEL certification in social networks

Extra events

Participated in coding events conducted by sri ramakrishna college of engineering and technology and karpagam college of engineering and technology

Extracurricular Activities

- Active member at department association in 2nd year and 3rd year
- Volunteered at department events managing attendance records
